Steve Bowe Releases "Orpheus"

BoweMusic is pleased to announce the release of "Orpheus", the new single by Steve Bowe. "Orpheus" is taken from Steve's forthcoming album, "Soundscapes".

As a contrast to the rather more laid back and ethereal tone of the rest of the album, "Orpheus" is an out and out dance floor number.

A choral melody and backing elevates the track somewhat from run of the mill dance floor fillers. Steve originally conceived the track based on Orpheus journey to the Underworld in Greek mythology, however it soon turned into a sparkling dance number with an infectious rhythm.

"Orpheus" is available to download from iTunes. Further information and audio are available via the BoweMusic website.
