Finest Hour

Contemporary composer Steve Bowe has produced a wonderfully evocative musical representation of the events of the summer of 1940. Using a fusion of musical styles from contemporary to classical, the momentous events of the Battle of Britain are brought vividly to life in this collection of original music.

'Finest Hour' is priced at £7.99 and is now available to download from iTunes or in CD format from Amazon.co.uk or direct from Bowe Music.
